

BIBS: Beth Israel Babies

An exciting multi-dimensional program for BABIES and TODDLERS,
offered by the Bill & Sid Rubin Preschool @ Beth Israel!

Welcome to the Wonderful World of BIBS

Beth Israel Babies is an exciting multi-dimensional program for young children 9-18 months. It combines age-appropriate, developmentally stimulating activities for children with a supportive environment for parents.

Our Infant-Toddler Specialist will guide parents and children in activities which help to promote the development of the “whole” child, focusing on both the physical and cognitive development. Children will have the opportunity to play in our age-appropriate classroom. This fun-filled program provides a warm, supportive Jewish environment where parents and children can make new friends as they learn, laugh and play together.

Our goal is to help promote a positive and supportive relationship between parents and children. We want to help cultivate friendships, in a Jewish environment, that will continue to grow long after your children have “graduated” from BIBS.
