

High Holy Days Food Drive

Every year during the High Holy Days, our Jewish community supports San Diegans facing hunger.

This year, the need is greater than ever.

Every year during the High Holy Days, our community supports San Diegans facing hunger. This year, the need is greater than ever.

The current pandemic has forced thousands of families and older adults into food insecurity. Every week, 1,700 people rely on our nutrition services – this is a 309% increase in the number of San Diegans we served before COVID-19. Many of them are asking for help for the first time in their lives.

On top of the critical need for food, new challenges arise every day as people struggle with unemployment, reduced income, and housing expenses. Our drive-thru distribution and home-delivered meals program are counting on your support to meet the urgent needs of our community.

This year, we are hoping to surpass the 30,000 lbs. of food we normally collect during the High Holy Days food drive. Thank you for taking action and sharing this campaign with your friends and family.

Together, we can ensure our neighbors will not go hungry during these challenging times.
