Camp Sababa

Rising Kindergarten through Grade 4
(2021-2022 school year)

Camp Sababa is a traditional Jewish day camp, with a sleep-away camp feel. Sababa campers will enjoy fantastic days filled with an extensive array of activities, related to each week's theme. Campers will participate in art, science, dance, sports, and music.

HEALTH AND SAFETY

Throughout the summer, health and safety will be emphasized. Campers will be washing their hands throughout the day, wearing masks, and will be put into small pod groups. They will interact with the same counselors throughout each session and groups will not intermingle. It is our top priority to bring the fun and excitement of camp to our campus, while following local and state guidelines.

SPECIALISTS AND STAFF

Our camp counselors are Beth Israel teachers, graduates and former madrichim, our junior counselors are current madrichim.

FOOD

Campers should bring their own lunch every Monday through Thursday. Friday is pizza day, and we will provide pizza for all campers. We also will provide two snacks a day, one healthy snack in the morning and one treat in the afternoon. Allergies will be accounted for. We are a nut free camp so please refrain from bringing any products with nuts in them.

ACTIVITIES

Each day will include camp activities that align with that week's theme. Some of the activities may include building challenges, water play, art, and much more! Additionally, campers will have free-play time outdoors.
